Reading request information

- I **do not** do predictive readings. Please be aware that as Tarot readers we are not fortune-tellers. The future is not set in stone. There are simply too many variables. What I can do is read the future energies, which will allow you to make empowered choices about what actions to take in the future. This is far more positive than mistakenly believing that you can do nothing to alter your destiny.
- I **will not** generally answer yes/no questions.
- I **will not** accept questions related to **medical, legal, financial or health** matters.
- I **do not** do third parties such as “Will my boyfriend get the job he wants” for example, for ethical reasons. I like to keep the reading focused on you.
- There are also topics I **will not** do readings on namely,
 - Predicting death, pregnancy, illness, marriage
 - Questions related to dark magic, dark entities, curses or generally negative supernatural forces
- I **will be** happy to work with you to create the most empowering question for your reading!

All Tarot readings are for entertainment purposes only, and in no way constitute, or are they a substitute for any professional service, licensed profession, or any other legally designated professional whether medical, legal, financial, or psychological.

You are encouraged to always seek the help of a **qualified professional** if you are in need of medical, legal, financial, or psychological advice.

Timeframe of Delivery:

Email readings are delivered within **5-7 days** of the date of confirmation of purchase. However a lack of client response to critical and clarifying questions can delay the reading.

If there is the potential of a delay in completing your reading, **Kitara Priestess Tarot** will notify you by email as soon as possible with the updated time-frame of completion.
